We begin by acknowledging the traditional territory on which we stand. For many thousands of years, the Sinixt and other peoples have sought to walk gently on this land. They offered assistance to the first European travelers to this territory, and shared their knowledge for survival in what was, at times, a harsh climate.

We seek a new relationship with the Original Peoples of this land, one based in honour and deep respect.

Gloria:

Collect for Today

O God of salvation,
we come to you in joy,
for you have heard the prayers of the poor
and raised up the lowly.
Pour out your Spirit on young and old alike,
so that our dreams and visions may bring
justice and peace to the world. Amen
